Re: D.T.E. 02-85 - Request for Approval of Capacity Contract Restructuring Plan

Dear Secretary Cottrell:

On December 23, 2002 Fitchburg Gas and Electric Light Company ("FG&E" or the "Company") filed with the Department of Telecommunications and Energy (the "Department") a Petition for Approval of an implementation plan to restructure its capacity contracts and storage contract with Tennessee Gas Pipeline Company ("Tennessee") and enter into related contractual commitments. FG&E's filing included the prefiled testimony of David B. Daskocil and other supporting documentation to support the approval of FG&E's petition.

Enclosed please find the original and nine (9) copies of a revised page 16 to the testimony of David B. Daskocil. The only revisions to the testimony is to revise the decrease in system costs appearing on lines 15 and 16 of page 16 of the testimony to accurately reflect the results of the SENDOUT® analysis appearing in Exhibit FGE-DBD-7.

The SENDOUT® analysis in Exhibit FGE-DBD-7 was initially based upon years-ending April 30 and was updated to reflect a calendar year analysis. The testimony as filed inadvertently reflected the results of the initial SENDOUT® analysis and not the updated analysis included in Exhibit FGE-DBD-7.
